5. The grass crop in the plantations and the forests will be allowed to be only cut and removed between sunrise and sunset up to the end of the period stipulated, *viz.*, end of June 1937. No grazing or storage of grass will be allowed in them.

6. The purchaser shall not interfere with any forest operation such as planting, sowing and felling that the Forest Department may wish to conduct in the leased area. Should any damage be caused by such operations to the grass crop, he shall not be entitled to any compensation.

7. In the event of a breach of any of the conditions specified in the sale notice or agreement, the lease is liable to be cancelled, all the produce collected confiscated and a penalty not exceeding Rs. 25 levied and recovered as an arrear of land revenue by the District Forest Officer and the security deposit or part thereof forfeited.

D. NARASIMHAMOORTY RAO,
District Forest Officer.

ENGINEERING DEPARTMENT

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Abstract Notification dated 10th August 1936.

The attention of the public is invited to the notification, dated 5th August 1936, calling for tenders for the work of constructing an office building for the Superintendent, Kolar Gold Fields Water Works at Bethamangala, published on pages 1239-1240, Part VI of the *Mysore Gazette*, dated 13th August 1936.

The last date for receipt of tenders is 2nd September 1936.

Notification dated 15th August 1936.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M., on 7th September 1936, for labour portion of work for Laying Pipes of the Ganjam Water Supply. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of October 1936.

2. The plans, and conditions may be seen at the Sanitary Engineer's Office, between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 160 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for labour portion of work for laying pipes of the Ganjam Water Supply" in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Director of Health in Mysore who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Director of Health will be final and legally binding.

Statement of the approximate quantities for labour portion of work for laying pipes of the Ganjam Water Supply.
